Thomas - thank you for speaking with me regarding your FOIA request. As we previously discussed, due to unusual circumstances, i.e. the need to coordinate with multiple offices and the voluminous amount of records responsive to your request, your request has been placed on the complex track for processing. We will provide you with interim responses as they become available. I estimate we can provide you with a final response by November 10, 2014.

Thank you for patience, and if I can be of any further assistance please do not hesitate to call me.

Evette L. Jones
